More than twenty years ago, the founders of Hospice & Palliative Care Foundation (“HPCF”) began helping patients receiving hospice care with needs that insurance does not cover like rent and utilities.

As the organization grew, the founders expanded to provide grief materials to community partners and schools, in addition to offering all-expense paid weekend retreats to children, and their families, that have lost a loved one.

COMMUNITY OWNED!

COMMUNITY SUPPORTED!

COMMUNITY BENEFITED!

Due to the amazing support from our community, and the growth and success of the thrift store, we are relocating to a larger and more sustainable location. We have decided to rename our thrift store, Charity for All of South Carolina ("CFASC").

We realized over the past few months that our thrift store, in conjunction with HPCF's core programs, help a wide range of individuals in so many ways. We are no longer just about helping hospice patients and grieving children, we help "all."

HPCF's Core Programs Include:

Gift & Relief Fund Assistance

This program provides small gifts and financial assistance to those individuals on hospice or palliative care services, and is open to all ages.

Grief Camp Events

This program provides all-expense-paid weekend retreats for children ages five to eighteen, and their families, that have lost a loved one in the last three years.

Education

This program provides much needed grief resources to churches, schools, and other community partners to help adults, children, families, and organizations with grief.

Our thrift store accepts slightly used goods from businesses and individuals and then resells them to our customers. Benefits that our thrift store provides:

Proceeds from the thrift store help to bridge the gap with grants and individual donations for HPCF.

By donating to a thrift store, we are putting less waste in our landfills, improving the environment.

By donating to a community thrift store, everyone is involved in its growth and success.

SPONSORSHIP OPPORTUNITIES

We are looking for donors and sponsors to be part of CFASC's community thrift store and its future success.

With the expansion of our thrift store, we will be able to fund more applications, provide needed grief materials to community partners and schools, and hold our nationally recognized grief camp events in more areas around the state.

Helping those in our community is the foundation on which HPCF was built by our founders. We want CFASC to be a community-built thrift store where everyone contributes to its success. And, because we are not owned by a corporation or have executives to pay, more of our sales go right back to HPCF's programs.

We have established six tiers of sponsorships for various types of donors and giving levels. Each tier will provide recognition of the donor or sponsor. Or, the donation/sponsorship can be made "in honor of" or "in memory of" someone. We will have a Community Giving Wall located at the front entrance of our new store's location to recognize all donors and sponsorships plus additional recognition perks for higher giving.

THRIFT STORE SPONSORSHIP LEVELS

Platinum Community Partner: \$10,000

Section Sponsor: \$5,000

Feature Display Sponsor: \$2,500

Aisle Ally Sponsor: \$1,000
