**Testimonials**

"Seeing Sanaleah smiling to her dad after setting up her iPad today was an awesome feeling. We appreciate the gift as it will certainly help her to bond with her dad and most importantly it will aid in her development as she’s a quick and smart learner.

We truly receive this gift and we are grateful of the opportunity.

Thank you to the Hospice & Palliative Care foundation.

Receiving this gift is a living testimony that the foundation is touching hearts. Please continue to make a difference in the lives that matters."

Kind regards,
- Pediatric Hospice Patient's Mother

"The Foundation was able to work with the daughter of a patient after the patient passed to provide $500.00 for the remaining balance on the cremation services. The family lost two family members within a 3-month period and are very thankful for the Foundation providing the funds to pay for cremation."

**Camp Hands of Hope**
Available to any South Carolina Resident
- Child centered & family focused weekend long bereavement retreats
- Serving children & teens ages 5 - 18 as well as their immediate family after experiencing the loss of a loved one.

A program of the Foundation, Camp is a weekend-long bereavement camp for children ages 5 to 18 and their families who live in South Carolina and have experienced the loss of a loved one. Camp is hosted several times a year in varied locations throughout the state to provide a youth centered family focused approach to grief and healing. Camp Hands of Hope assists over 150 individuals annually.

Our goal at Camp Hands of Hope is to connect children and families with others who have suffered a loss, in a safe and caring environment where they can learn from each other as we provide opportunities to share and gain coping skills that will benefit them for a lifetime.
