- We are 100% funded by donations and grants.
- We are the “foundation of choice” for *Charity for All of South Carolina*. A newly formed thrift store that donates proceeds from their sales to help bridge the gap between monetary donations and grants.
- In 2025, we received \$191,676.81 from 247 donors. Approximately, 38% of these are repeat donors.
- We received 3 grants totaling \$28,500.00.
- Over 125 volunteer hours were donated saving us \$7,850.00.

Over the past twenty years, our donors have helped us to achieve:

- \$2.25 million spent in support for South Carolina hospice and palliative care patients.
- Over 10,500 booklets and grief resources provided to South Carolina residents.
- 515 families served by Camp Hands of Hope.

## Camp Hands of Hope Impact

**78 children, and their families, benefited from attending our all expenses paid, weekend grief retreats.**

*Our camp events provide food, lodging, and supplies for the entire event weekend. Each group is led by a Certified Child Life Specialist.*

Approximately six million children in the United States will experience the death of a parent or sibling by the time they reach the age of eighteen.

# Looking To The Future

Post Office Box 151  
Drayton, SC 29333  
855-219-1648

Continue to build awareness about the Foundation and the work we do across the state of South Carolina.

Continue support for grieving children and their families through Camp Hands of Hope and build awareness around the issue of childhood grief.

Continue to reduce financial barriers for hospice and palliative care patients, and provide tools to avoid further financial crisis.

Continue to enhance patients' quality of life through special activities and items that promote positive feelings and build memories.

Expand our grief education program, including Camp Hands of Hope, to reach underserved areas across the state of South Carolina.

Leverage support to maximize our impact through strategic partnerships with other organizations vested in hospice and palliative care and grief education.

Grow the thrift store by continuing to build community partnerships to increase inventory and sales to maximize program impact.

Help veterans at end-of-life navigate their unique financial needs through education, relief funding, and partnerships.
